Nurse CBTs for Reference

The courses below are for reference/review purposes only. Course credit will not be given for completing these courses. If you are a new contract staff nurse and were instructed to complete the CBT as part of your orientation, please select a course from the list above to create an account and complete the CBTs. If you have already completed the CBTs and would like to review a module, please click below. (*CBT's are not compatible with Internet Explorer)

Nurse Courses for References
Purposes ONLY

Select a course and click the Get Started button. From there, you will be prompted to register for an account. If you already have an account, click the blue Log In link at the bottom of the registration page. Once you have registered or logged in, you will be automatically directed to complete the first module. You may view the table of contents and select a different module at any time by clicking the Home button in the upper left corner of the screen under the URL.

2) Contract Staff Nurse Training: There are courses for Med/Surg, Tele/CC and Nursing Assistants. Click the appropriate link, click the Get Started button and create an account. At the end of the course, the user and trainer will both receive an email confirmation of course completion. The user can download a certificate of completion.

Reference Courses: Click here for a list of courses for reference/review purposes ONLY. Credit will not be given for completing these courses.
